

# Ground Breaking...

Today PLFN held the ground breaking for their new school today. The PLFN students are beyond excited, and cannot wait to start school! Former students and their children broke the ground. The new school construction is set to begin within the next couple weeks and will be up and running for September 2019. With state-of-the-art features, a massive community kitchen, outdoor play area and more, it is no wonder the kids are so excited!
